. Adjournment is sought on behalf of the petitioner, that application is rejected for the order to be passed.

. The Apex Court has upheld the constitutional validity of the Act which is now challenged. The main relief therefore, has to be rejected. In so far as issue of notice is concerned it will be open to the petitioner to move the competent authority for whatever relief they will be entitled to according to law. With the above, the petition is disposed of. No order as to costs.
